

“Healthcare, Pharmaceuticals & Biotech Trade Fair 2017”

Health & Bio Solutions (BBS) International Ltd is hosting their 1st ever international *“Health Care Pharmaceuticals & Biotech Trade Fair 2017”* in Bangabandhu International Conference Center (BICC), Dhaka Bangladesh on 28th - 29th November 2017.

We aim to organize a comprehensive health sector fair involving a wide variety of key players and stakeholders, to promote a holistic approach to upgrading the health system of Bangladesh and beyond. It will be an ideal platform to showcase quality consumer products, services and information to prospective clients on a global stage.

This 2-day event will include guest speakers, doctor's seminars by eminent specialists in their field, state-of-the-art products for exhibitions and more importantly, a unique opportunity to network with influential members of the health sector community. Together, we have a shared interest in providing an ideal setting to provide the latest in biotechnology, service capabilities and a global think tank to tackle the hard-hitting health issues facing the world.

It is requested to attend the “Healthcare, Pharmaceuticals & Biotech Trade Fair 2017” in Bangabandhu International Conference Center (BICC), Dhaka Bangladesh on 28th - 29th November 2017.
